Honorable Judge Cathy Seibel
Federal Building and United States Courthouse, Rm 218
300 Quarropas St., White Plains, NY 10601-4150

Dear Honorable Judge Seibel:

Unfortunately, the Pros Se Clerk, Ms. Johnson was out ill the day that I requested the Motion for a release letter from the Saturn Business Systems illegal contract. Therefore, I did not have access to Pro Se and my request is very time sensitive. I apologize if it was written incorrectly.

The reasons for my sense of urgency are as follows: A.) You declined to meet with me when I requested a PreConference Meeting with you last month. B.) I need to provide my new perspective employer with a Release Letter as soon as possible, so that I can work and I was hoping to receive one by end of week because it is effecting my immediate employment and livelihood. C.) Again, I am not an attorney by profession. I am acting in good faith and my first priority has always been to be fully employed in my profession as an Account Manager in the Information Technology Industry.

I have attempted to interview perspective attorneys, so that I have fair representation and it has been a time consuming and unsuccessful process. I can provide you with records, if required. As a result of finding **New York Labor - Article 6 Payment of Wages**, it is my legal right to obtain information pertaining to my sales of IBM Product and Patents. Therefore, adding IBM to my law suit, is not unreasonable, if I was not properly paid for my work efforts and contributions.

In the event, that you decide not to honor my Motion because I did NOT have access to legal due process to effectively deal with my unemployment, than I would ask that we hold a Preconference Meeting to discuss the following: A.) The Motion to have New York State Southern District Court provide a legal decision regarding the Saturn Business Systems contract that was unfairly written. B.) Adding IBM Corporation to my law suit requiring that they fully disclose sales and patent concepts that I participated in or created that I was not paid on. I would ask that Judge Seibel provide me with the legal guidance to ensure that I receive due process with respect to the New York Labor Article 6 and specifically regarding the discrimination and monies owed.

Sincerely,

Stephanie Christoff
